21. The school now uses three Apps to communicate with parents. We use Class Dojo for daily communication from the class teacher and to send out whole school messages and information. We use Parent Pay for parents to pay for school meals and any school trips and have now introduced Study Bugs an App to allow parents to notify school when and why a pupil is absent and helps the school monitor and analyse attendance. We would welcome parents' views on how you find using the the different Apps.
