**BARRIERS TO PUPILS RECOVERY TO BE ADDRESSED:**

- Pupils who were unable to attend during partial opening losing key social skills including communication skills.
- Pupils with complex health needs who were shielding initially and those requiring AGPs who have been unable to return to school due to PHE guidance.
- Social distancing requirements reducing the opportunities for developing independent living skills both on and off site.
- Limitations on delivering work related and work based learning for post 16 pupils.
- Yr.7 pupils who were unable to access transition activities and need additional support to joining the school.
- Impact of isolation requirements on staffing levels impacting on health and safety of all pupils and access to the curriculum.
- Offering remote learning for pupils required to self-isolate at home.
